Class

Activity Name

"Rekindling Chinese Sentiments" Event (Part 10) –Traditional Chinese Handicraft - Kites

Activity Objectives

- Understand that kites are traditional folk crafts in our country
- Learn about the origin of kites
- Appreciate kite designs and colors

Activity Overview

One of China's inventions, the kite, has a history of over two thousand years. Legend has it that the first wooden kite was crafted by "Lu Ban" and was called the "wooden kite." Over time, kite materials have continuously improved, evolving into multi-line kites made of paper and bamboo. Children use colorful paints to decorate small kites during the workshop.
