School Name

2022-2023

Academic Year

K2-K3

Class

Activity Name

"Rekindling Chinese Sentiments" Event (Part 8) –Traditional Chinese Handicraft - Ink Wash Painting

Activity Objectives

- Learn about traditional Chinese art - Ink Wash Painting
- Understand the painting tools, brush techniques, and methods
- Understand the rules of brush and ink expression in Chinese painting
- Learn to perceive the brush and ink, control water and ink colors
- Express emotions, experience the joy of creation

Activity Overview

Basic ink wash painting only uses water and black ink, with only black and white distinctions. Later developments included colored ink wash paintings known as polychrome paintings. The school invites collaboration with educational publishers to introduce children to traditional Chinese art - ink wash painting through workshops. In these workshops, mentors demonstrate different techniques for creating ink wash paintings, allowing children to appreciate the composition and use of colors in ink wash paintings. Subsequently, children are encouraged to use colored paints to depict Chinese fans, exploring tools like brushes and pigments, and learning simple brush techniques.
